

# UKEH VICTOR

---

Jos, Nigeria | +2349046659704 | victor.ukeh@ixnoteservices.com

## OBJECTIVE

---

With more than three years of professional experience in cloud engineering, software and web development, and automated testing, I am a seasoned Software Engineer. My expertise in the field is evident in my track record of consistently delivering high-quality solutions that effectively meet customer requirements. I strongly believe in the power of leadership and collaboration, which has enabled me to excel in team environments and drive project success. Currently, I am focused on leveraging tools such as Nest.js, ReactJS, and Cloud Based technologies such as AWS, to meet customer demands. I am committed to staying up-to-date with the latest industry trends and technologies, and actively seek opportunities to enhance my skills and expand my knowledge.

## SKILLS & ABILITIES
